To Whom It May Concern:

In regard to Julie Wyngflaph and her desire to have her Paragliding school – WyngFlaphs School of Flight – certified as a PASA school, I would like to speak on her behalf.

Julie worked as an instructor for me at FLYAWAY PARAGLIDING in St. Petersburg, Ohio for 4 years. She was an outstanding instructor and extremely professional in her dealings with students. Her concern for safety is paramount.

I can wholeheartedly recommend her as being what the Paragliding industry is looking for in a school owner.

Feel free to contact me with any questions.

Sincerely
